Dear brother

I am informed by Mr. Voorhees that Mr. John
Freelenthison is appointed by the orphans court
our trustee if we ~~have~~ approve of him. I was much
surprised at your not attending court as you
talked of hear the executors have advertise the house
and lot bank stock and turnpike stock to be sold
on the 10 Nov next at Mans tavern -

I think it would be advisable
to advertise the stock in the New York and Elizabeth
town news papers. I am afraid the executors do not
under stand disposing of the stock

I expect you are very much
throng with business at present however I wish
you not to forget Jersey in time

To Mrs Frederick W^m Boyd

My aunt Miss Susan Maucler died
in Boundbrook on the 18th of March last.
~~Upon~~ looking over her effects a letter
written by you to the Postmaster of Bound-
brook inquiring if he knew anything
of some of your ancestors whose names
you mention therein. I suppose he
handed your letter to my aunt and
as she was rather an eccentric person
I suppose she never replied to it as
I also found an envelope with your
address on it which you had enclosed
in the letter for a reply. As that letter
bears no date I do not know when it
was written but suppose some years ago
Not knowing if this will be received by
you but if it is if you will write to me
I will write you and give you what in-
formation we have of the family.

Remain yours truly Susan Maucler

that would attend their instruction in
the liberal arts and sciences.

The latest date of these old letters we
have is one from Anthony Robinson dated
Sep. 25. 1801.

I never heard my father say what his
grandmother's first husband name
was her name was Hannah but from
these letters her husband must have
lived by brother Anthony, John, James and
Thomas. ~~After~~ her husband's death she
married Herman Marsden they had
2 children John and Peter. her third hus-
band was William Robins they had
several children after his death she
went to live with her son Peter Marsden
on the old homestead at Greenbrook N.
J. where she died Sep. 11. 1792 in the 69th
year of her age she was buried in the fam-
ily burying ground on the farm which
is now in Dunellen N. J. We had all
the headstones moved from this lot
and placed in a lot in the 3rd roundabout dated April 25th 1790 that he was then
6 months after my aunt Susan's death in
March 1879 she was the last of that generation.

Dear cousin

Philadelphia Sep. 25th 1879

I received your
letter of May but not being at
home then consequently had not
the old letters and papers belonging
to the family with me but now
I have returned I have looked
them over and write you what I
know of the family from them
I do hope you will pardon my
being negligent in not writing to you
I find in a letter written by my
grandfather Peter Marsden to a friend
(Luke Sweet) living in Greenbrook N. J.
dated April 25th 1790 that he was then
6 months after my aunt Susan's death in
March 1879 she was the last of that generation.

is Peter uncle John Stubbs that his
uncle Anthony and James and their
families are well and that his uncle
Thomas is general of his ~~magnate~~
forces toward the head of the ~~Mississippi~~
river.

I only find one letter to Hannah
Robins which is dated October 22.
and 1794 written by Anthony Stubbs in
which he addresses her as sister. And that they have seen
papers that he must have been her
~~perhaps in no~~ brother instead of her son as you sup-
pose.

Anthony Stubbs writes to his nephew
Peter Marshall (my grandfather) from
October 23rd 1795 that he is in his
70th year and that some of his brother
James Stubbs's children were living
on the Medec River N. E. others were
in the state of Georgia which was all
he knew or could learn of them.

Peter Marshall presumed his oldest child
Anthony Stubbs's daughter
after Elizabeth's death and she was
of which she writes ^{about} a letter of Jan.
22. 1795.

Anthony Stubbs's daughter Elizabeth
writes to her cousin Peter Marshall
(my grandfather) from October 23rd
1795 that they live & write from them
and have 3 children.

When Green writes to Peter Marshall
(my grandfather) from October 23rd
1795 that he married Anthony Stubbs's
two daughters Mary and has 3 children
the two oldest are boys whom he wishes
to send away to be educated as they have
no schools there to give them the education
he wishes them to have he wishes asking
as to where to send them and
what it would cost annually for their
education boarding and other expenses

they had 7 children Susan, stillb, John, William, Elizabeth, Charles, Anna. stillie died in infancy. John married Rebecca? Schepit of Philadelphia he died April 30th 1878. left 3 children 2 girls, 1 boy. William died March 11th 1872. Charles married Annie M. Lewis of Exeter N. H. is now living in Hingham N. Y. they have no children. Susan & John and Anna are single. Lewis John Herman and Susan all died unmarried.

I hope that you have not got tired reading this lengthy account but I tried to make it as short as possible for you do understand about the family. My sister Elizabeth and myself are living at home with mother. Sister Anna has been in very delicate health for 6 years most of the time ^{strong} weaker than before, came at Saratoga Springs N. Y. since father died she is building herself a home here and will reside there as she is

Among the sons was the one of Thomas Robins. My father John Marshall told the deed for this burial lot it was left him by his father. His father sold the old homestead farm some years before his death.

John Marshall had but 2 children they died while young his wife died before him he died Feb. 22nd 1805.

John Marshall (son of John Marshall) married Rachel Randolph he died May 11th 1806 he died April 26th 1827 in his 80th year they had 8 children ^{Elizabeth} Susan, John, Lewis, John, Herman, Susan, Rachel. Susan and Rachel died in childhood. Elizabeth married Joseph Willcutt of New Brunswick N. J. he is dead she died March 6th 1850 had 6 children of whom only one is living John G. Willcutt of N. York he has 7 children and 2 grand children. John (my father) married Eliza Willcutt of Philadelphia he died April 21st 1878 of Apoplexy in his 83rd year. My mother is living

agree with her better than ~~these~~.
If I should ever get as far West as
your place I shall come to see you
for I want often to tell father. I
should like to see some of his family
sometime. If you or any of your
family should ever get to Philadelphia
hope that they will come to see us.
